The multi-family real estate world continues to exceed everyone's expectations as prices continue to go up with debt and equity capital plentiful for the right deals. Construction of new multi-family projects is a hot topic in some circles. On top of that, the condo market is showing signs of re-birth in certain areas. What does the future hold? Join us for an insightful discussion on what kinds of deals are getting done and where the capital is available.

Moderator: Thomas Jaros, Partner, Levenfeld Pearlstein, LLC
