The Federal immigration and naturalization program, EB-5, encourages foreign investment in the United States through the issuance of permanent Green Cards for qualified projects that produce permanent jobs. REIA has assembled a group of specialists and experienced developers to discuss how you can get involved.

The EB-5 program has raised hundreds of millions of dollars for investment in the hospitality, medical, and manufacturing industries that has produced thousands of jobs. Join us for an insightful discussion on the EB-5 program. A question and answer session will follow this informative panel discussion.

Moderators: E. James Keledjian, Principal, Pathway Senior Living LLC
